**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The carrier I use, sonic, was a clearly superior choice when I was looking for internet in my city. Their prices were better, and they let me pick and pay for only the services I use. I started with a broadband connection, and the superior service, from installers to support, convinced me to go to fiber.
